Life, So They Say, Is But A Game

And They Let It Slip Away

Love, Like The Autumn Sun,
Should Be Dying
But It's Only Just Begun

Like The Twilight In The

Road Up Ahead

They Don't See Just Where

We're Going

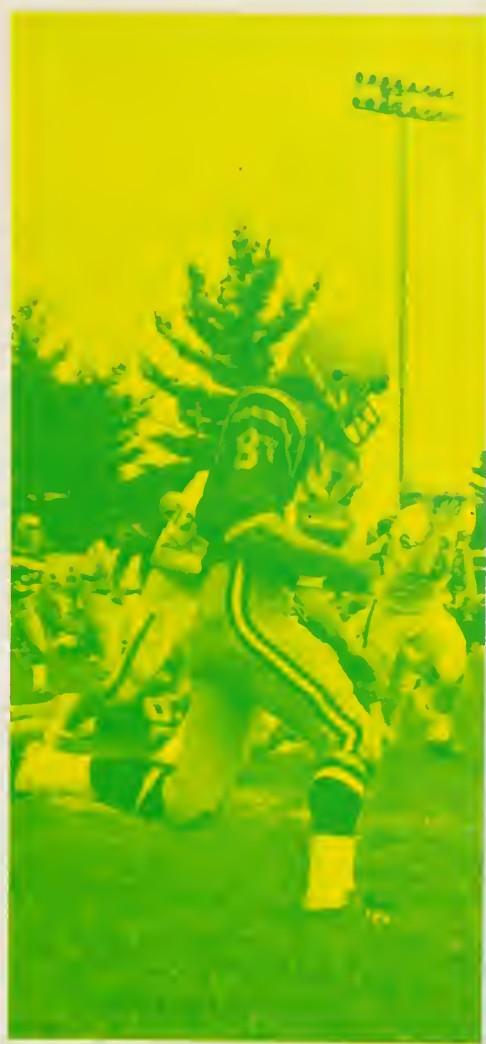

And All The Secrets In The Universe

Whisper In Our Ears

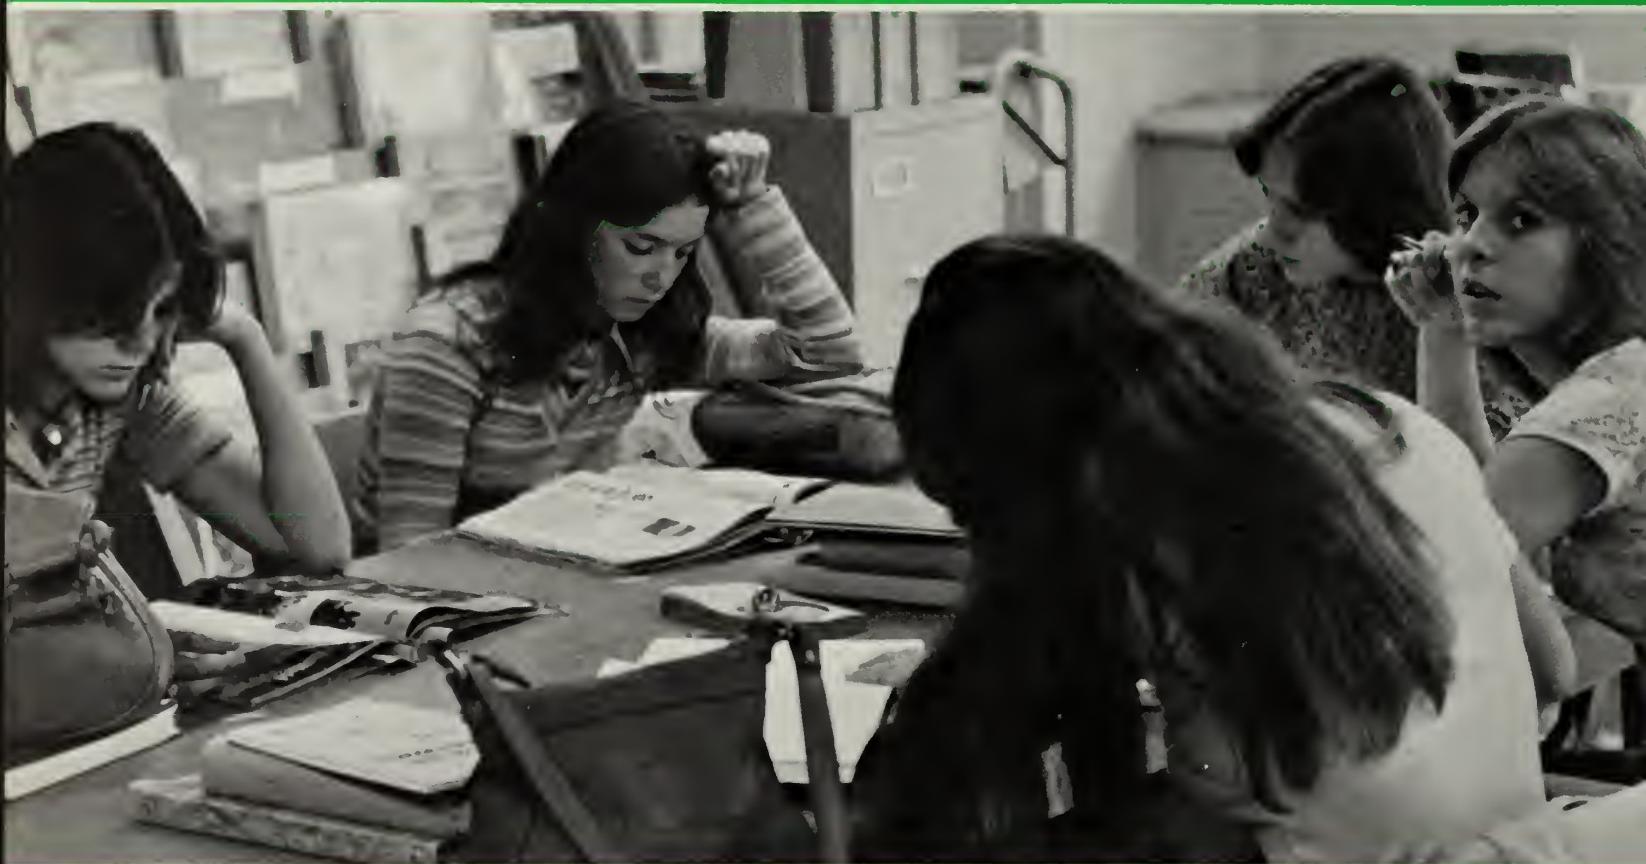

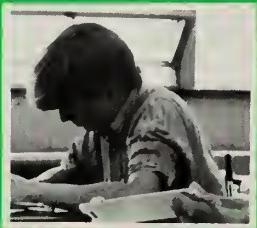

And All The Years
Will Come And Go,
And Take Us Up,
Always Up.

Dreams,

So They Say,

Are For The Fools

And They Let Them Drift Away

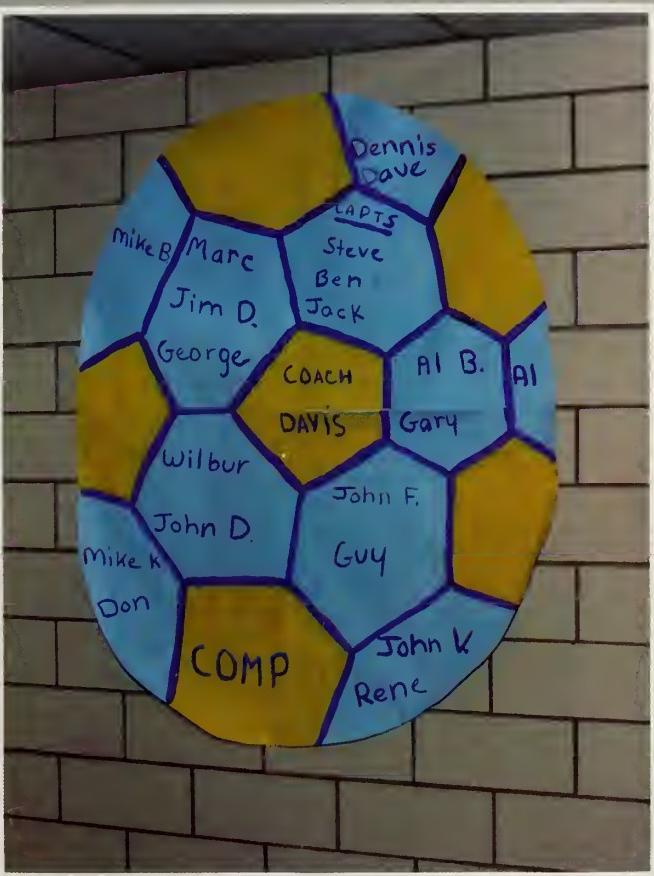

Peace,

Like The Silent Dove,
Should Be Flying But
It's Only Just Begun

Like Columbus In The Olden Days

We Must Gather All Our Courage

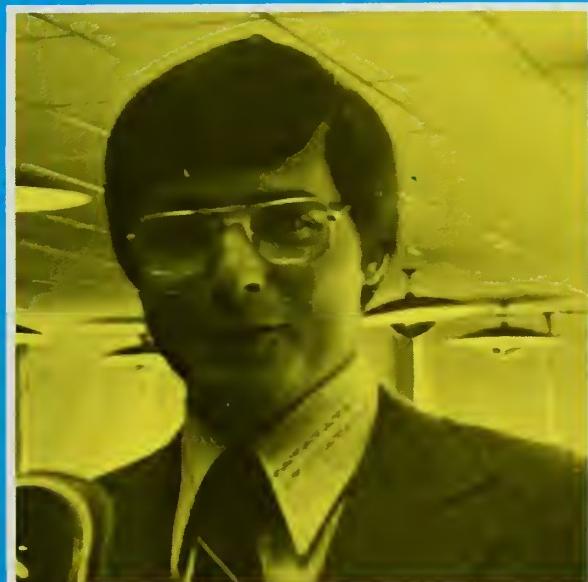

Sail Our Ships
Out On The Open Sea.
Cast Away Our Fears
And All The Years
Will Come And Go
And Take Us Up,
Always Up.

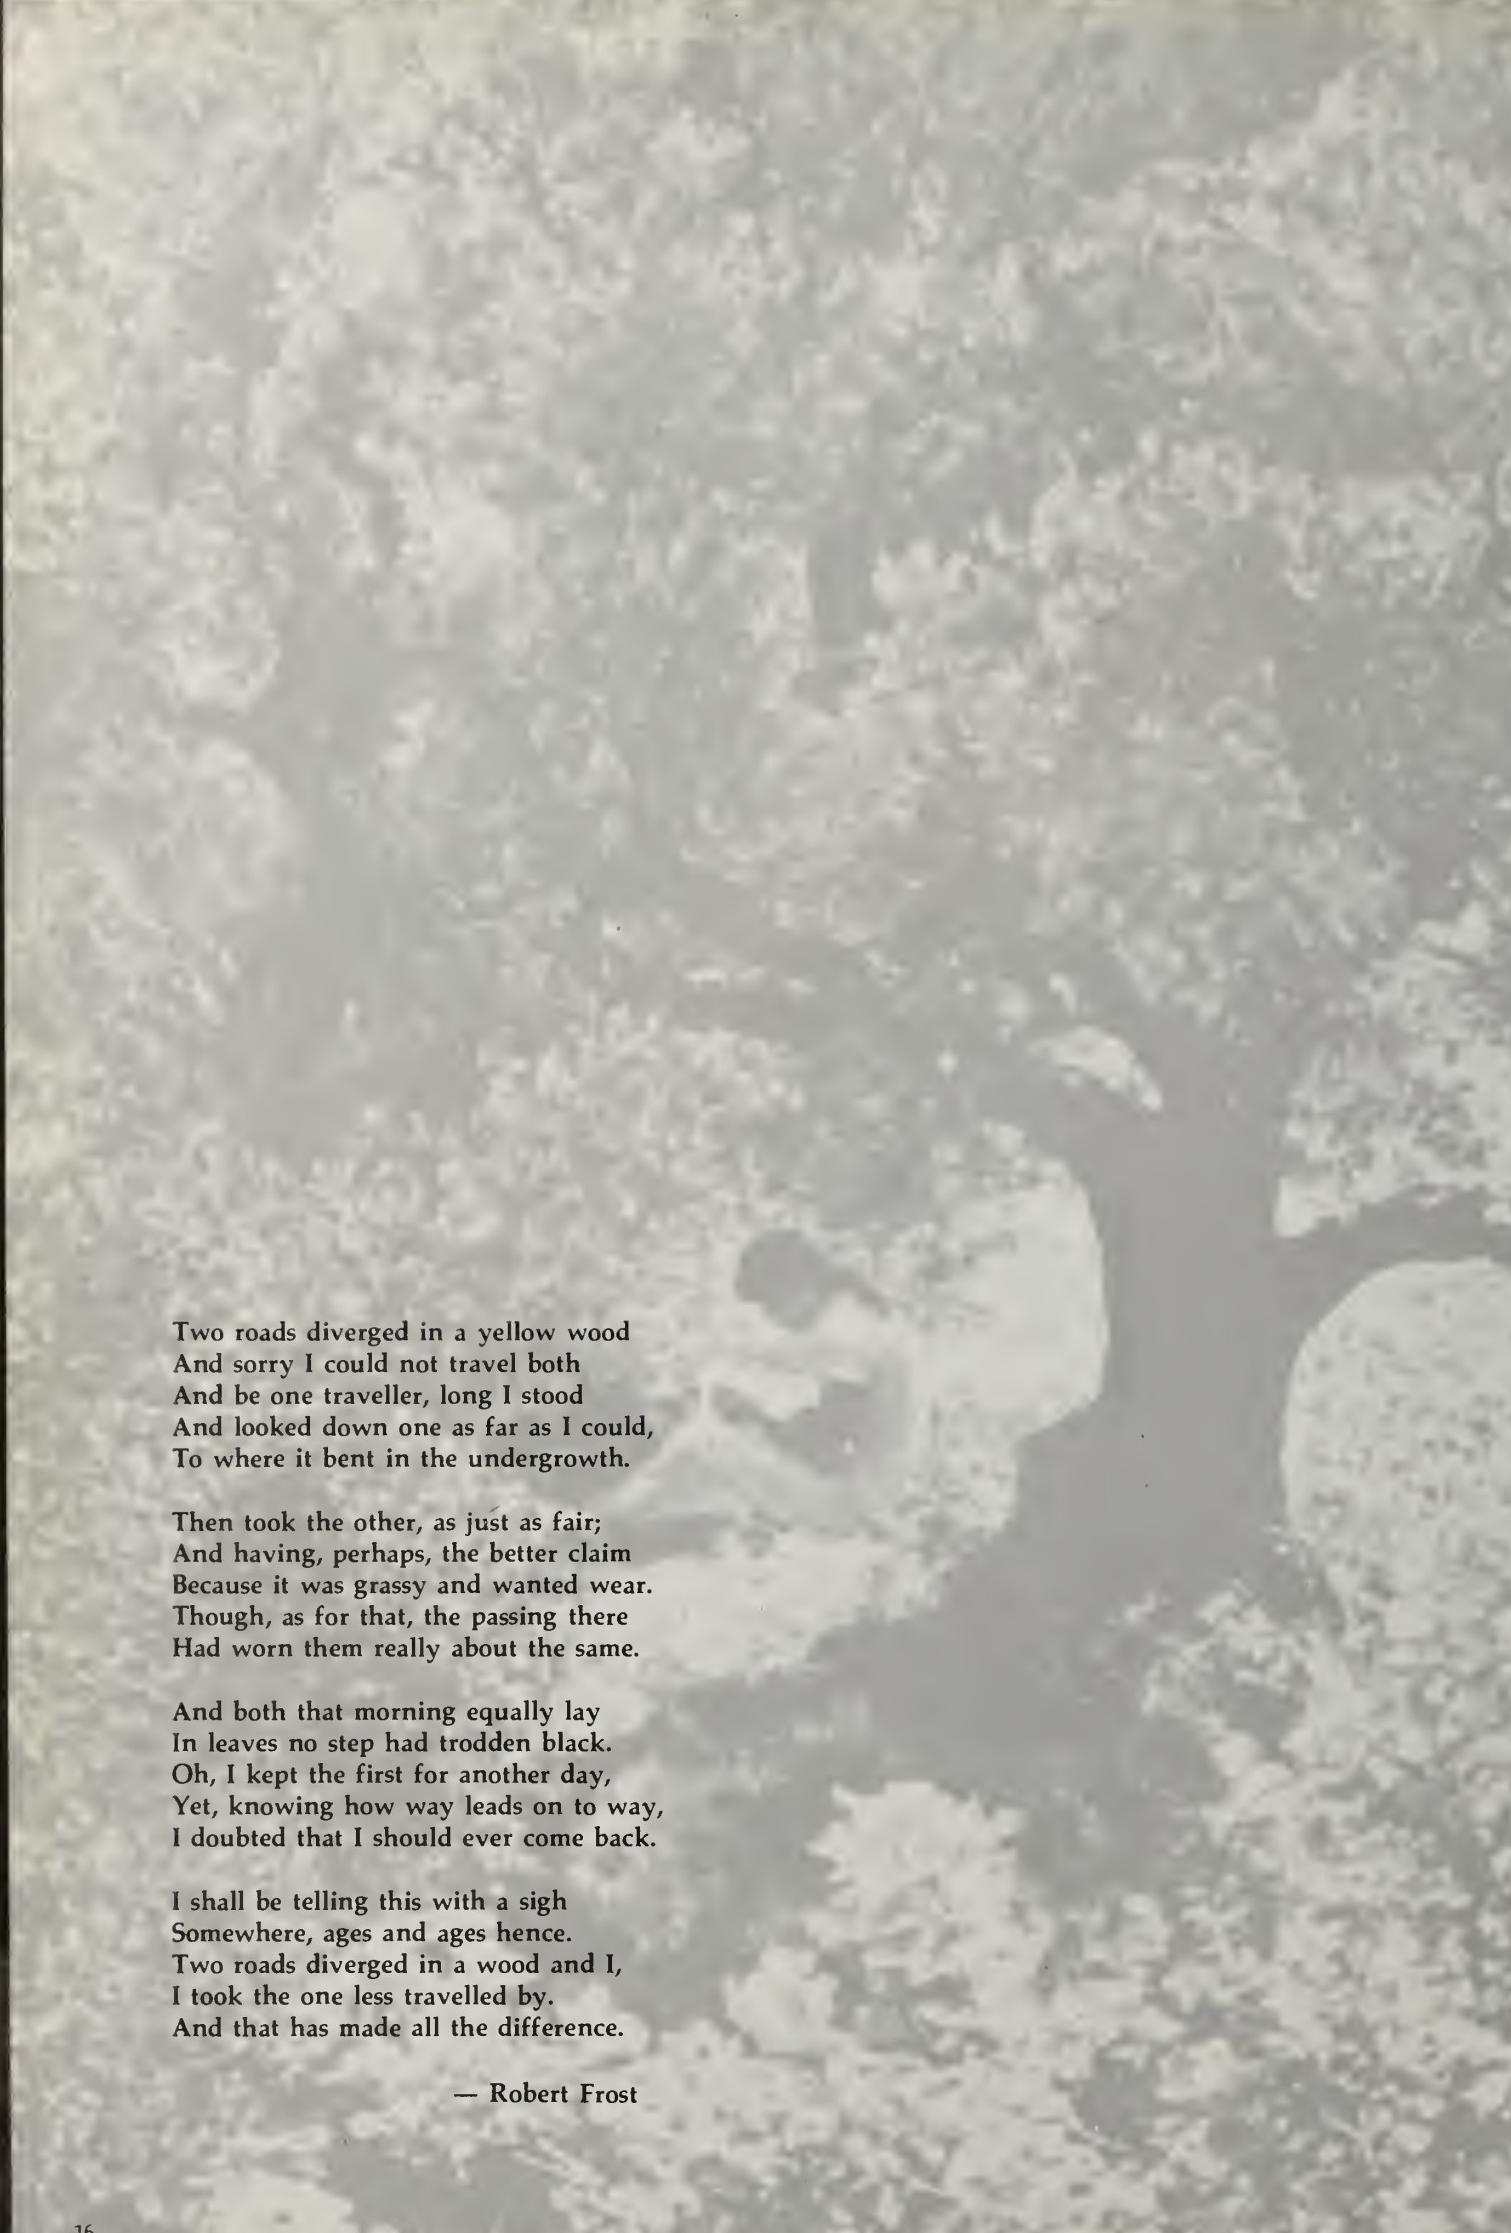

We May Never Pass This Way Again.

As members of the Class of 1977, we have shared many experiences, but we have grown as individuals. We have learned to overcome our problems and disappointments, and we will always hold in our hearts fond memories of good times and good friends. Remembered first will be those who have shared our joys and seen us through our sorrows, never losing faith in our ability as rational beings, and who have instilled in us the wisdom we will need to play an active role in society.

One man has, for these past years, shared our joys and sorrows, and has taught us to function as elements of a group, so that we may now be prepared to function as individuals. His unselfishness and devotion will always be remembered. It is with our greatest appreciation and deepest affection that we dedicate MEMINI 77 to Mr. Kenneth Morse.

Two roads diverged in a yellow wood
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could,
To where it bent in the undergrowth.

Then took the other, as just as fair;
And having, perhaps, the better claim
Because it was grassy and wanted wear.
Though, as for that, the passing there
Had worn them really about the same.

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day,
Yet, knowing how way leads on to way,
I doubted that I should ever come back.

I shall be telling this with a sigh
Somewhere, ages and ages hence.
Two roads diverged in a wood and I,
I took the one less travelled by.
And that has made all the difference.

— Robert Frost

"Nothing in life is to be feared. It is only to be understood."

-Marie Curie-

Dave didn't question why he was to be one of many victims of a most terrible disease . . . leukemia. Instead, he faced it with a strength unseen by many people who knew him. He was a person who loved life and did anything he could to make others happy. He kept his illness a secret, even to his best friends. He didn't want anyone to pity him.

Now when we remember him, it's not pity we feel but a great sense of love and pride, for he showed a strength and love for mankind unmatched by anyone we know.

An open, personal letter to the seniors in Comprehensive High School's
Class of 1977

"Life is hardly respectable if it has no generous task, no duties or
affections that constitute a necessity of existence." — Emerson

Dear Seniors,

The word commencement means "beginning". And, despite the knowledge obtained during your years at Comprehensive High, you are still, basically, beginners. Your graduation is so important because it marks the time when you will begin — as perhaps many of you already have — to explore those limitless opportunities only beginners lay claim to. This is why we, your teachers, think you are so important. You epitomize unrealized hopes and unfulfilled dreams.

You must now purposely choose your goals and generous tasks so that they may lead to the realization of your hopes and dreams. Not unless you fill your existence with an aim do you make it life. How you choose your goals and tasks will determine the rewards and happiness you receive out of life.

Dont be rash; don't be irresponsible. But don't hesitate to exercise those privileges that only beginners possess: the right to question, to make mistakes, to explore. Plunge into life. Don't be afraid or ashamed to be an unsophisticated beginner. Stand up for what you believe in. Love life and feel its value. Be glad to be — and hope to stay — the beginners you now are

With every best wish,

To my class and my friends:

I have so much to say to you, and such little space to say it in. First of all, I would like to thank everyone in the school building from the matrons to the principal and all those in between for everything you have done for me and the Class of 1977. Every person that I have encountered during my days at Comp has touched me in a very special way. The memories that I have of all of you will be with me always.

Next, to my class, where can I begin? I must first thank you sincerely for electing me as your president. I hope that I have fulfilled my duties as president and served you as best I could.

To think that our days and experiences together at Comp have come to an end is a very sad thought. I wish that every person in the Class of '77 has memories they will cherish, as I have and always will.

Sincerely yours,

Paul Chapdelaine
Senior Class President
Class of 1977

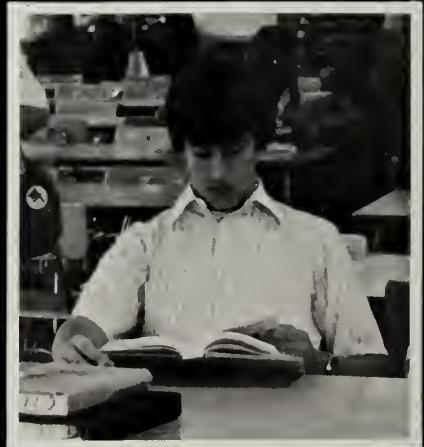

Four years ago we knew so little,
As freshmen we were scared.
We didn't know which way to go,
and really, none of us cared

We goofed around and caused some trouble,
As sophomores we were growing.
We were changing inside and out,
But most of the changes weren't showing.

As juniors we were upper class,
We all thought we were great.
Just one more year ahead of us,
And all of us couldn't wait.

Our senior year went by so quickly,
The banquet and the prom.
Senior skip day and the class picnic,
Now our senior days are gone.

We'll all look back from time to time,
Remember the good times we had?
If graduation is really so great,
Then why are we all so sad?

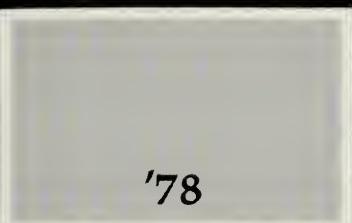

Now we all go our separate ways,
Just memories hold us together.
We came here today as one whole class,
We leave as alumni, forever.

The last day we'll be together,
The memories we will all share.
Four years become one final day,
Now we climb another stair.

TO THE MEMBERS OF THE CLASS OF 1977

In the past four years, both as a class and as individuals, you have become a permanent part of Comprehensive High School. Also the school has become a part of you which will be with you for all time. Because of this, Comprehensive has become a better school than it was before you entered. The school has also done its best for you by providing you with the opportunity to prepare for your future lives.

You will now go forth with every prospect of emulating the successful careers of those who preceded you. You have served your apprenticeship very well and your success in life is assured if you but follow the precepts laid down by your teachers and advisors. The significance of man is not in what he attains but rather in what he longs to attain.

Congratulations to your class officers, yearbook editors, class and yearbook advisors, and each and every member of the class on a job well done. Comprehensive High School will miss you.

I wish you a pleasant, happy life and a successful future.

Colts Prepare For AA Finish

As the month of October draws to a close, the Comp Colts find themselves with a 5-0 A.A. Conference record, a 6-0 regular record, and a regular game winning streak now stretching to 16 games.

However, the next few weeks will determine the strength of the Colts. After tomorrow's game against Cathedral, the Colts will meet undefeated Holyoke on November 9 and then will play unbeaten Chicopee the following Saturday.

There were thoughts of an "set spiced with a bit of superstition in the minds of Comp rooters as the field in straight and

John Hay's safety, but also checked the explosive Greenfield offense the entire fourth quarter after the game had been tied at 20-20 after three quarters.

Wide receiver Jim Carter led the offense with 146 yards for 146 yards in touchdow

In the first half, Carter

Bill Deyette scored 47 yards of 1 yard rushing one of the season. Ed Abramowicz proved he had fully recovered from an ankle injury as he scored ten points on one touchdown and two conversion passes.

The Colts then traveled to Westfield for their AA Conference encounter and came away 16-0 victors over the surprisingly tough Bombers.

The defense was solid all day

In the Colts' last game of the month, an independent contest against Dartmouth High, Gary Masse passed for two touchdowns and ran for another in leading the Colts to a 28-24 victory.

Because of the outstanding individual players on the Colts' team, the coaches are hopeful that they will go far in the AA Conference. The team's desire to win is great and their spirit is very high. With this kind of enthusiasm the Colts are sure to succeed.

Our biggest worry for the Colts is the game against Chicopee. This game not only means the capturing of the sword but also the saving of Comp's dignity and pride.

Colts Begin Title Defense With Crushing Victories

The 1974 Comp Colts have taken the first step towards defending their 1973 AA and Western Mass. Division I Title crown by crushing their first two opponents, Agawam and West Springfield, respective scores of 30-6.

These two victories stretched the Colts' winning

Senior fullback Bill Deyette also ran well but when the Colts had to pass All-Western Mass. quarterback Gary Masse responded very well. He completed four of seven passes for 107 yards and one touchdown despite the poor conditions.

Tim Rainey was on the receiving end of Masse's touchdown pass as well as two of his conversion passes.

The Colts then traveled to West Side to play a much improved Terrier squad. Coach Llodra had even stated, "This is the best West Side team I have seen in five years."

However, the Colts showed a strong well-balanced attack for the second straight week and proved too much for the Terriers as they romped to a 26-6 victory.

The Colts took the opening kickoff and marched eighty yards for their first touchdown with fullback Billy Deyette scoring from the three yard line and were never in serious trouble thereafter.

The defensive unit played a very solid hard hitting game just as they had in the opener.

During the pre-season Coach Llodra expressed a hope that this year's team could maintain the balanced attack that last year's team possessed. There was little doubt that the Colts could throw the ball but how good they would run with it was an unanswered question in many fan's minds.

With their performance in the first two games the Colts have proven that they can also run with the ball effectively.

Colts End Season With Great Effort

"We never lost the game, we just ran out of time," stated assistant football coach Arnold Huhtamaki at the spaghetti supper in describing the 15-12 Chicopee High victory over Comp last Saturday at Szot Park.

Before a crowd of over 5,000 spectators, the Colts came within three points of beating the undefeated Pacer's Comp's defense, according to Coach Llodra, put on its best show of the season by controlling the vaunted Pacer ground machine from the second quarter on.

In a rivalry comparable to Army-Navy, a fired-up Colt defense became the first team to shutout Chicopee in the second half. The Comp offense, putting on a superb show with a well-balanced attack, scored twice in the first half.

16

a seven yard run while tail
Rick Aroney tallied in the
second quarter in a two yard burst.

The final minutes of the fourth quarter proved exciting as the Colt struggled to the Chicopee 40-yard line but lost the ball on downs with under two minutes on the clock. A sack by flankerback John Rusin and tough defensive work caused the Pacers to punt with 30 seconds left.

A long pass with three seconds left from Baker to Jim Cartier brought the ball to the Chicopee 30 but time then ran out on the Colts.

Coaches and Captain Tim Tadeo discuss an important play.

Colts "77" Season

Being pessimistic in the beginning of the football season, Coach Llodra was doubtful about a successful season for the Colts. The reason for this doubt was that the Comp football team was fairly new and inexperienced-there were only eleven seniors to start the season. However, this minor setback did not mar the Colts' desire and spirit to win. Two surprising and excellent victories were over Holyoke and West Side. The entire school body as well as the coaches were pleased with a final season record of 5 wins, 1 tie, and 3 losses.

~COMP - CHICOPEE ~ WEEKEND

Friday morning, Nov. 12, marked the beginning of the COMP-CHICOPEE weekend as the seniors at Comp attended their last and probably best football rally. For a change, the classes cheered as one group against archrival Chicopee and not against each other. The school watched wholeheartedly as the Comp Colt stomped on the Chicopee High spider. After the rally at Comp, some students, representing Comp's student body, went to the rally at Chicopee High.

The Hoot'n Rally was the activity for Friday night. It was at this dance that Debbie Smith was crowned the homecoming queen. Another special attraction at this event was the Powder Puff Cheerleaders, who did several cheers for their captive audience.

Although Comp did not win the football game, the spirit at the Spaghetti Supper was high. After everyone had finished their spaghetti, Coach Llodra gave the traditional awards: Best Offense to Tim Tadeo, Best Defense to Dan O'Conner and Best Offense/Defense to Jim Breault.

Finally, the weekend was topped off with the Powder Puff Football game on Monday afternoon. Though the game ended with a 0-0 score, the seniors had dominated the game. All in all the COMP-CHICOPEE weekend was an experience never to be forgotten.

Colts Top West Side Tightens PVL Race

Comp beat West Side. For the first time, since 1973, Comp's soccer team defeated West Side 4-3 on West Springfield's home turf. In 1973 Comp was the first team to do so, and again showing dominance in 1976, by beating West Side.

Comp dominated the first three quarters of the match with a 3-0 lead. Scorers at this point were John Fi' trick with two and Ben Mancini one. West Side slowly came back in the fourth quarter scoring Senior Ben Mancini's penalty shot to give his insurance goal to 4-2.

Then came their turn to score.

West Springfield will finally be the one to win its soccer team takes the Valley Crown after a close finish to West Side in the final game and also a runner-up spot to Putnum in Western Mass last year. The Colts will be back stronger than ever with fifteen seniors on the team, plus a few returning underclassmen.

In what is considered the strongest league in New England, the Colt main

competition will be fierce but as Coach P' gers the game stays he at the top be

John Vur and Jim Durrees, who coach the recognition of the greatest improvement in the team.

The Colts are now well into their third enduring soccer season. Little over a month of the school year has gone by, and the Colt's have already played eight games. Their first game against Minnechaug a Division II team, ended with a 3-0 victory for Comp. Jim Durocher had his first shut out of the year, and Steve Kerchner opened his soccer season with two goals. Then the Colt's marched over to Chicopee, a game played under the lights at Szt Park to challenge arch rivals Chicopee High. The three thousand folks who attended this event were shown a display of fine quality soccer, results were a 2-2 tie. Senior Ben Mancini and Sophomore Al Levakis were the two scoring players in that game.

A surprisingly tough Putnum team was next in store for the Colts and

although Putnum dominated a good part of the game, the Colts brought another victory to Comp by virtue of a 2-0 score. Mancini collected two ways of penalty shots to give the team a win.

Mancini again showed soccer skills in the final game against Cathedral with a lone goal in a 1-1 tie.

Colts 3rd Western Mass tournament

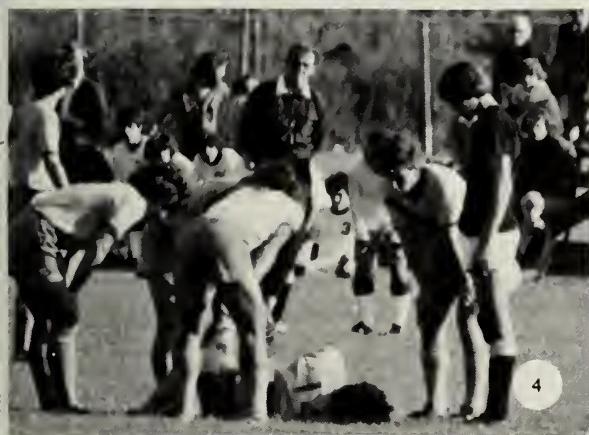

Western Mass tournament teams are seeded third in a sixteen team field. According to many soccer experts, the tournament is up for grabs among the top five seeds, and whoever gets the breaks will come out on top.

In the WM tournament, the Colts are relying on the scoring ability of Ben Mancini and Steve Kerchner to run the offensive show. The Colts are also relying on help from wings Rene Dube, Al Levakis, John Delude, and Rick Kryla. Controlling play at the halfback slots will be Wilbur Quirk, John Verowicz and David Hays.

The responsibility of stopping the other teams offense will be the jobs of Jack Ridrigo, John Fitzpatrick, Mike Klofas, Guy Mathieu and Dennis Provost with Jim Durocher and Marc Daigle sharing goalie duties.

Out of the Colts starting lineup there are several players who are being considered for the Western Mass. all star team. Steve Kerchner and Jack Ridrigo should be repeaters with Ben Mancini a good bet to make the squad. These three players also are the tri-captains of the team and "have showed their leadership qualities on the field" according to Davis.

Since last month's victory over West Side, the Colt's have seen a lot of action. They have beat Northhampton, Classical, and East Longmeadow by scores of 3-1, 5-0, and 3-1 respectively. The soccer team also tied Cathedral and Chicopee by identical 2-2 scores.

Tears Flow

The scene as the Field Hockey team dismounted from the bus was a sad and wet. Most of the girls were in tears. These tears were not because they had lost another game but because it was their last game. The seniors girls, who really enjoyed their years of field hockey, were very distraught at the thought of their last game.

Girls Take Plunge

"Their spirit and their will to work is definitely their strongest point this year", said Joan Boratis, coach of the girls varsity swim team.

"Our only downfall is the lack of swimmers. We really need more people who are interested in swimming to come out for it." Other than that, she is very optimistic and hopes this year to achieve a better record than that of the previous year. She commented, "They are working very hard this year in that respect, I think we'll have a better season."

Girl Swimmers Capture Title

This past season, the Chicopee Comprehensive girls' swimming team captured their first division title in the short history of girls' swimming.

The program has been in existence for seven years, the last four under the direction of Coach Joan Boratis. "Every team and every coach has a winning season as their goal. We're happy to be the first girls' swim team to win a title at Comp. Our success is due to our depth, as we have no real 'superstars.'

"This team consists of a great group of girls. They worked hard all season and in spite of many grueling practices, managed to have fun. They have achieved great strides in girls' swimming at Comp," stated Coach Boratis.

The Colts finished with a 9-4 record one game ahead of second place Agawam. They were represented in the state finals by Betty Carrier who was the top scorer for the Colts.

"Our team hopes to take the division this year", stated the girls' swim team coach Joan Boratis.

The girls have a tight grip on first place and need to defeat only one more opponent to clinch the crown.

In a tough meet, the girls defeated Agawam 92-80 to move into first place. Taking firsts were Betty Carrier 200 yd. individual medley and 100 yd. freestyle, Gail Koziara 100 yd. backstroke, and Sue Gagnon 100 yd. breaststroke.

The Colts are led by senior captain Charlene Bowers, Maryann Sypek and Patty Driscoll with heavy contributions by Carrier, Koziara, and Gagnon.

X Men Contend

This year's cross-country team should again be in contention for the Valley League crown, after a second place finish last year. Heading this year's squad are senior co-captains Brian Dillon and Donny Grandbois. Dillon is currently running an undefeated streak of 16 V.L. meets, and Coach Alex Vyce expects another super year from him. Vyce also said, "This year's squad seems to have the depth that is needed for a winning season. In the past, we have had always had one or two outstanding runners, no one else close to them, but this year that's all changed."

The Colts are already going rough by splitting biggest meets of the year with two of the V.L., Greenfield Catholic, but don't let by

Harriers Halt Cathedral

Led by Captain Dan Dillon, Comp Harriers defeated an independent meet with records broken. The 2.96 mile course was shattered at 14:55, shattering the previous record of 15:05. Captain Dillon also ran the course in 14:55.

Vyce, coach of the team, said, "This year's team is strong but lacks depth." Returning varsity members are Dan Dillon, Marty Sheil, Durrell Wheatly and sophomore Donny Grandbois. Other varsity members are Brian Dillon who is vastly improved from last season, freshman sensation Bobby Ranck, Dale Altman and Ben Matszko also have cracked the varsity squad.

Other returning with J.V. experience are juniors Alan Patrie, Steve Jean and Stan Lacienski, sophomores George Robare, Dave DeDurocher and Dennis Densmore. Freshmen include Dave Nilson, Tom Burke, Tom Shacklette, Steve Aras, Andy Burns and Karl Miller. Coach Vyce stated, "The competition again will be tough," and the toughest meets will come from league favorites Holyoke Catholic and West Side, with Comp and Holyoke fighting for third. Vyce also

commented that if Danny Dillon stays healthy and is fully recovered from his bout of pneumonia, which hampered him during track season, he will have a good shot at winning the state title.

Danny acknowledged that this would be his last year looking forward to the end of the season. "I want to win it all," said goal for this the New England fairly

Brian traveled to Franklin Park, Boston to race against the top runners in the state meet. The course was tough and covered with ice, but due to hard training, Brian came back from the Western Mass. loss and took first with a time of 14:30, eight seconds ahead of his closest competitor.

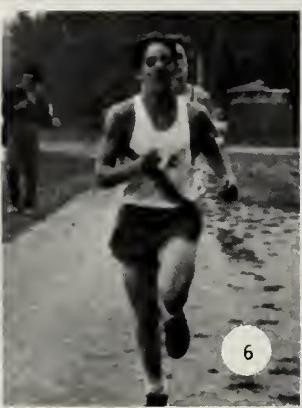

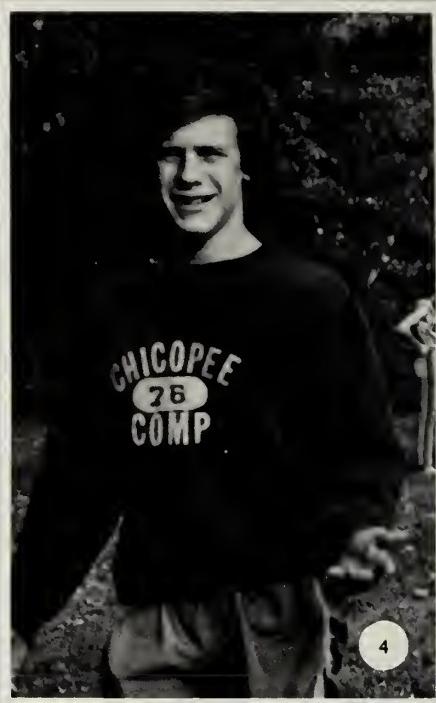

During the Mass.-Conn. meet, Brian placed third. The race was so fast paced that the first three runners broke the course record.

Brian's workouts before a meet consists of an average ten miles a day depending on the caliber of the coming meet. An easy opponent would mean an easier practice. His brothers also helped him get ready for a meet and his mother helped the team with her spirit and enthusiasm.

Sky High Flynn Sparks Cagers

Despite the Colts' losing record, Coach Alex Vyce feels his team has been playing good ball and couldn't ask any more from his players.

One of the players Vyce gives special praise to, is Mike Flynn. "Currently, he has been playing outstanding ball and this is what he has worked for all his life," Vyce states. Flynn has also placed his name in the Comp record books, tying one record and setting another by way of the foul. He tied Pat Jasinski's record of 14 free throws made in one game while setting a record of 19 consecutive free throws made and for every successful free throw, he has broken his record.

Flynn bested the Knights 13-12. He had two minute field goals which won it for the Colts. The referee claimed that he was guilty of pushing and shoved Holyoke a one and one shooting situation with two seconds left. The Knight player hit the first but missed the second making the final a 62-60 Holyoke victory. A last ditch shot by Bob Ranck fell short and the Colts were dealt a defeat just seconds after they thought they had won.

The Colts closed out the first round of the Valley League with a defeat to Northampton without the services of Co-captain Jay Hambley

who was out with a sprained knee but recorded a convincing 10-5 win over West Side 10.

Vyce points to shooting as the key to victory. "We shot 21% from the foul line and I think we have to improve on that."

After a 5-5 start to the season, the play of Mike Flynn became the first highlight of the year. After a dunk this year, Daigle and Jay Hambley, roared back to win convincingly, 67-53.

After an early season losing streak, Comp has made a big turnaround in their play. Vyce credited cutting down turnovers, improved foul shooting and aggressive rebounding as the reasons for the Colts' marked improvement of play. "Despite the fact that we're playing well, we still kept losing close ones like the Holyoke and Chicopee games but we play them both at home the second round, which should give us the extra edge needed to beat them," coach Vyce stated.

Flynn and Daigle so far have been the key to the Colts' season. They control the inside game for Comp and when they're playing well the whole team plays well. The two have been tossing in 15 apiece and pulling down at least 20 rebounds a game combined.

Over the first round, Comp has lost two barn burners, one to cross

town rival Chicopee in overtime and the other a 64-60 loss to Holyoke. "Both games could have gone either way depending on who got the breaks and it happened that they got the breaks and we didn't," commented Vyce.

The Commerce-Comp Western Mass Division I final was one that area fans had hoped for since the opening weeks of the season.

The Colts, however, first had to get by always tough Classical High in the semifinal round. In this semifinal game against the Bulldogs, Comp exhibited a potent offense and a pesky, ball hawking zone defense that baffled the Bulldogs and forced them to commit 28 costly turnovers. The Colts were quick to capitalize on the Classical miscues and ran off to a 38-26 halftime lead.

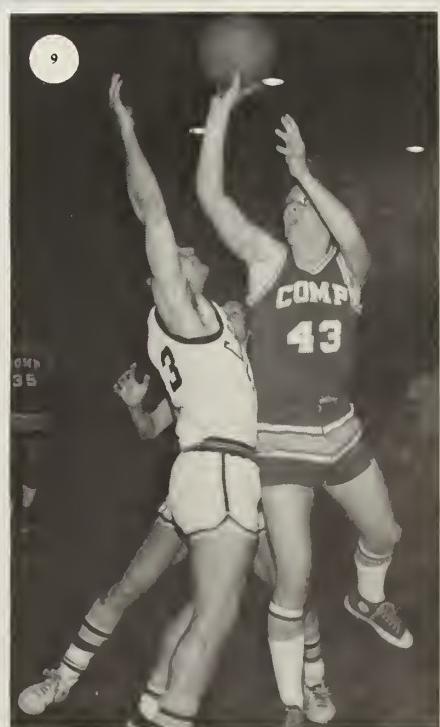

The Colts stretched their lead to as many as 18 points in the third quarter and cruised to the surprisingly easy 70-59 victory.

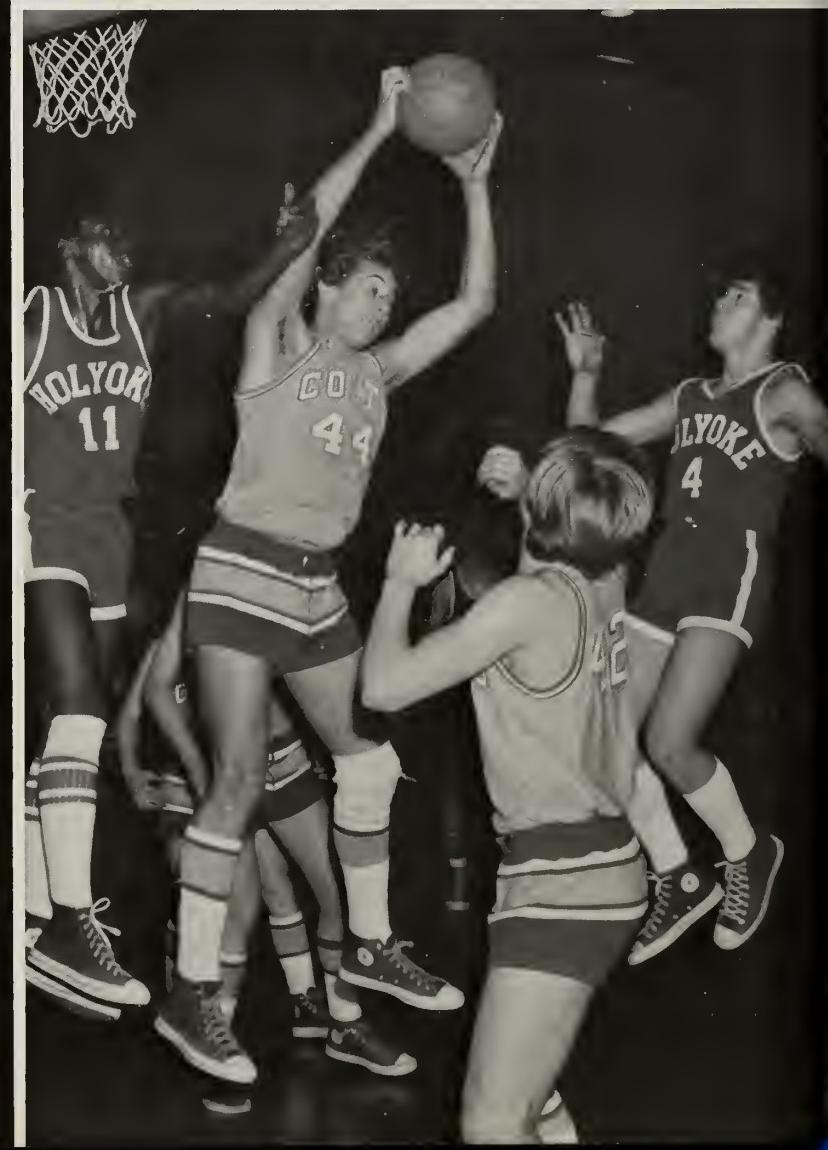

Senior forwards Rick Jasinski and Larry Kurpaska spearheaded the offensive with 18 points each while Pat Holmes added 16 and Tom Miskiv 12.

The Colts proved they still are a team to be reckoned with. After a stunning upset to Westfield, the Colts came back to crush Cathedral, a team that is always around for the Western Mass Tournament.

"It's tough to stay on top when everyone is after you," explained the girls' basketball coach Joan Boratis, "and we must be mentally prepared for every game or else we'll be in trouble and that's happened in the Westfield. Comp also recorded a big win over Taconic in an independent match which could turn out to be a preview of the Western Mass. final, but the Colts still have to contend with the likes of West Side and Westfield if they are to take the WM crown, which has eluded them the last two years.

Female Athletes Surpass The Males

While Comp's hockey and basketball teams are enjoying a fine season, the girls' varsity basketball team also deserves recognition. Coach Joan Boratis feels that the team should be strong in the league. The key to success seems to be a great deal of individual potential.

Hoopsters Deserve Recognition

Beyond that, there is strong teamwork and vital enthusiasm.

The girls' varsity basketball team is currently leading in the League. The team, with a powerful offense, presently tied Northampton.

The girls' basketball team, by defeating Holyoke, by a margin of 10 points, Chicopee High was also victorious over Chicopee High with a score

of 53-49. Top scorers are frosh Gail Koziara and junior Cindy Janik. Freshman Diane Murphy has set a fast pace for the team and sparks an aggressive offense.

While the team is not yet worthy of competing against Pat Holmes and company, they certainly deserve strong student support.

It seems in the last few years that Comp's girl's teams been outstanding. A prime example of this would be the girls' varsity basketball team which has a record of 13 wins and 4 losses. Can it be possible that the girls are surpassing the guys in athletic ability? Maybe it is time that the athletic awards and scholarships should be awarded to such athletes as Kathie Delisle and Gail Koziara.

Though not many people have said it, Comp and its student body is very proud of the representation by the girls' varsity basketball team. Congratulations are also in order for Coach Joan Boratis for doing such an excellent job with her girls. The yearbook staff of Memini '77 recognizes the girls' hard work and gives their thanks.

So far, it looks as if the team is not concerned with winning every meet, but in the achievement of placing several swimmers in the Western Mass. and State championships.

Coach Mike Dubilo states, "The team is taking meets as warm-ups for Western Mass. competitions." Dubilo also relies heavily on captains Joe Riordan and Lane who have been unbeatable in each meet. Lane has set a butterfly record in the 200 m.

The highlight of the season was the Annual Christmas meets which were held at Springfield College, December 27. Overall, the team placed fifth, the clincher was the 300 yd. breaststroke relay which earned Comp's only first. The relay was comprised of Jim Delisle, John Fitzpatrick, and Tom Lane.

The team is lacking depth, only 16 members comprise the squad.

Each member has improved considerably since the beginning of the season. The team has suffered the losses of three senior juniors who are giving the team effort to diver Larry Fournier.

The team has the support of Juan, Lane, Soar and Mark Zillmer. The junior swimmers are: Joel Bessette and Ben Matzko. Bessette swims the 100 and 200 in. Matzko is again swimming distance in the 500 freestyle.

Swimmers Set School Records

The boys' swim team's record of 8-8 doesn't look too promising, but the records they have broken surpass it.

Junior Tom Soar is leading record breaker with the times of 2:02.2 in the 200 freestyle, 2:14.1 in the 200 IM, 5:27.4 in the 500 freestyle, and 59.1 in the 100 back stroke.

The 400 freestyle relay record was broken by Jeff Sattler, Craig Goebel, Tom Soar and Joel Bessette with 3:46.1 as their new time.

Junior Mark Picard broke the school's diving record with total

points of 213.45.

In Western Mass. action on February 14 and 15, the team competed against 16 area schools and finished eighth overall.

Top honors went to Tom Soar, first place in the 100 backstroke and fifth in the 200 IM; Mark Picard, third in diving; Tom Soar, Jeff Sattler, Kurt LaFrance, Joel Bessette, seventh in the 400 freestyle relay.

In the state finals, held on February 21 and 22, the Comp swimmers finished ninth out of teams.

Records were again broken in many events. Soar broke his own backstroke record with times repeating records.

Swimmers Sink to Second

The Comp swim team has splashed to a 4-5 early season record which has left them tied with Chicopee for second place in Division B of the Pioneer Valley Swim League.

A potential key meet for the mermen will take place in the Comp pool February 4 when they meet Chicopee High.

Key swimmers for the Colts have been Craig Goebel, Jeff Sattler, Kevin Taylor, Tom Soar and Kurt LaFrance. In the Christmas relays held at the Comp pool during the holiday vacations, Comp placed seventh overall trailing relay winners Longmeadow and East Longmeadow.

Although this may seem to be a grim beginning, the swim team is hopeful for a good season due to the potential of the new swimmers.

SKI TEAM OPTIMISTIC

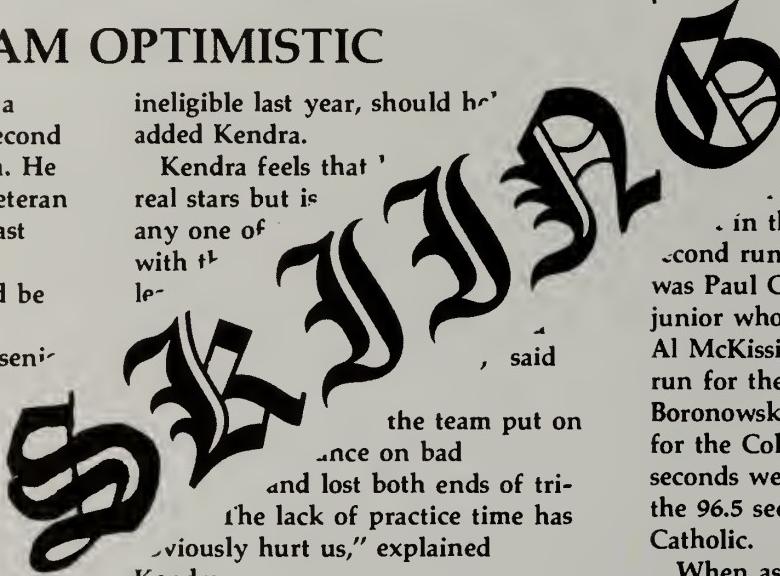

"We are looking forward to a better season this year," said second year ski coach Mr. Jeff Kendra. He went on to say, "We have a veteran team and should improve on last year's 6-6 record."

This year's squad will indeed be very experienced with seven returning lettermen including senior captain Jim Provost. Other returning lettermen are seniors Paul Joel Haznar, Mike M George Crochire, Paul Crochire, "George" a fr-

ineligible last year, should he added Kendra.

Kendra feels that ' real stars but is any one of with t le-

RACERS CAP SEASON

The weather has been harsh especially to the ski team, causing them to cancel many practices and also a few meets. But the good weather prevailed during the Western Mass. ski meet at Otis Ridge on March 11, where 13 teams and 101 racers competed.

The Comp ski squad put on a better than average time with George Crochire turning in the lowest time at 41.5 seconds and 22nd overall. Paul Dikan turned in a 43.3 while Dean Desmarais had a 43.9 and placed 53rd. Joel Haesner and Jim Provost each had a fine run at 44.5 sec. in completing the course.

with a record of one loss looks bad but is pretty good. After beating Westfield by a close .8 seconds, the young team went on to lose to a strong, first place West Springfield team which, according to coach Mr. Kedra "beat us convincingly." The team also lost to Northampton.

Prospects for next year's team look extremely good with juniors Paul Crochire, Dean Desmaras and Al McKissik who are consistently strong skiers and sophomores Greg Larder, Rick Boudry and Andy Broderick who seem to be improving with each race.

Paul Crochire with 44.9 and Steve Smith and Al McKissick helped Comp to a twelfth place finish.

"The lack of snow and the fact that Mt. Tom would not let the team set up to practice," stated Coach Kendra, "played a major factor in the season's competition and may have accounted for the team's lack of success."

Al McKissik pulled a 25.5 second run for the third spot and Bob Boronowski had the fourth best time for the Colts. For the young Colts 99 seconds were 3.5 too many to defeat the 96.5 seconds of Holyoke Catholic.

When asked how he felt about this year's team, varsity skiing coach Jeff Kendra stated, "We have a young team and are hoping for a 500 season."

PUCKSTERS PREP FOR WESTFIELD

The Comp. Varsity Hockey team is preparing for a big clash against Westfield at Chicopee's Pioneer Valley Rink, Thursday at 8:30 P.M. This game is an important one because Comp and Westfield were picked to battle for the top spot in the Fay Division. Last season Westfield beat Comp twice to win the Fay-Wright Crown but the Colts will be out to turn the tables on the Bombers.

This game will also mark the return of senior defenseman Laterreuer who was suspended one year because of an incident against

Starting off on the wrong foot, the Colts suffered a 4-3 loss to Ludlow and a 4-4 tie against Lennox in an independent game in their first two games of the season.

Despite out-shooting East Longmeadow 42-20, the Colts came up on the short end dropping a 6-3 decision. Real Aube, Ken Demers and Rick Hottin provided the Colt scoring.

HOCKEY'S ON TOP

The varsity hockey team tops the Fay-Wright Division with their 10-1 record.

The Colts obtained their wins playing against East Longmeadow, Easthampton, Putnam, Greenfield,

Minnechaug, Holyoke, Palmer, Ludlow, and Commerce.

The skaters' only loss came in a tight 4-2 battle with Westfield.

Coach Pinciak attributes this year's great success with the team's great defensive hustle, and outstanding goalie Gene Douillard. Gene has had an average of 1 goals scored on him.

Center Mike Pare leads in scoring with 22 points by Andy Hevey, Ken Demers and Paul Rick Hottin, Lemay

The J.V. hockey team has had a very disappointing season thus far. The team's record now stands at 1 win and 6 losses.

Coach Bowden attributes the skaters' slow start to the fact that they are playing much stronger, older, and more experienced Berry Division teams.

The icemen have had only two actual workouts this season. This is due to the lack of ice time, and the expense involved in getting it.

The team's leading scorer is Ray Lincort with 6 points, followed by Ken Picard and Phil Therrien with 4 points.

PUCKSTERS LEAD DIVISION

Going into this week's games against Holyoke and Easthampton the Colts are atop the Fay Division.

In one of the biggest schoolboy hockey games of the season, a fine Comp following saw the Colts and the Westfield Bombers skate to a 4-4 tie.

The Bombers came out flying and scored two goals in the first stanza, which they carried into the second.

The Colts easily disposed of Palmer High 10-1. Leading the onslaught was Rick Hottin with four goals and Captain Andy Hevey who had two goals and three assists.

The Longmeadow-Lancers hosted the Colts at the West Springfield Coliseum and the Colts came away 4-1 victors; Mike Pare led the Colt

MEMINI '77 . . . A THANK-YOU

Without the time and effort donated by so many generous individuals, MEMINI '77 would not have been possible. We would like to take this opportunity to give these individuals the recognition they so greatly deserve.

First, to KAREN DANCZAK and DENNIS DENSMORE and their able staff of photographers for a job well done. These two people have proven themselves to be most dependable and capable.

To DONNA TALBOT and PETER MANIJA, who spent countless hours typing for their section. We feel that it was well worth the effort, and wish to thank them for excellent coverage and a beautiful sports section.

To TAMMY WATSON and CHRIS MEKAL, who took on the often thankless task of advertising management. We sincerely appreciate all that you went through for MEMINI '77.

To LAURIE BERNECHE and KAREN KRYLA, for the great attempt at organizing all activities pictures and the near impossible task of matching faces and names; also for the time and creativity put into the layout of their section.

To KATHY BEGLEY and IRENE FURNELLI, who managed subscriptions accurately and efficiently. Their invaluable assistance gave us one less area to worry about.

To KAREN JODOIN, for the donation of her time and efforts in assuring an accurate senior section, and for several literary and design contributions.

To JOAN COIDAKIS, MONA BRUNELLE, and LIZ WELLS, for their work in taking, approving, organizing and publishing faculty and personnel picture. The responsibility was handled well.

To LARRY, MARK, and BOB GRENIER, who spent nights, days, holidays, and vacations taking and processing thousands of pictures. They are three of the most tolerant men in the world.

To MR. DONALD LENDRY, who achieved the impossible, and taught us the right way to do things. He served as our interpreter between us and the publishing company.

To MR. RAYMOND BOULAIS, who is nothing less than an angel in our eyes. He is the most tolerant man in the world . . . we love him.

To all of those very special friends who saw us through the times when things got tough. To you we are forever grateful.

SUPERINTENDENT OF SCHOOLS
JOHN M. LUKE
OFFICE TEL. (413) 592-6111

Congratulations to the Class of 1977 as you complete
your years of formal education in Chicopee Schools.

You have successfully passed classroom examinations
... you have experienced victory in sports ... you have won
music, speech and other contests ... but your graduation
marks the beginning of the true test of what you have
learned. The measure of the success of your education is
not in what you have done but what you will do to put it
to good use. Just as the master carpenter knows which
tool to use to accomplish his craft, so must you use the
skills and processes you have learned. You have been
given the tools for shaping purpose in your future.

In the words of Washington Irving, "Great minds
have purposes, others have wishes". May you use your
education to help you to achieve that purpose ... and may
the blessings of happiness and good health accompany your
success.

Sincerely yours,

John M. Luke
